

Dear Valued Customer,

Remember, if you refer a friend and they buy 6 months, we will give you a month for free!
Thank you again for all your referrals!

Affordable RV Storage needs to update your information at times!

Please fill this out with your current information and email back to us!

Thank you for doing this and we do appreciate your business!

We have security gate with key pad entry! Your license plate is your entry. Please keep that current with us! We also have a gate key pad and the number is your space number and the last 4 of your cell phone number. If no cell phone, then your listed home phone number. If you get to the gate and it will not open for you, we have an intercom and Steve or I will help you.

“Please do not give GATE CODE to anyone!” It is only for you!

The security of the vehicles is very important to us! Thank you!
