A Message from the President

It is a privilege to serve as President of the South Brevard Coin Club. I am grateful to the many past leaders and members whose dedication and volunteer efforts have built this club into the strong and welcoming organization it is today. Their commitment has created a community rich in knowledge, fellowship, and shared passion for numismatics.

My goal during my term is to lead with service, openness, and transparency. I want our meetings to remain a place where collectors of all experience levels feel welcome, engaged, and encouraged to share. Together, we will continue preserving the history represented in our collections while strengthening the club's role in the community.

The continued success of our club depends on member involvement. Our committees are essential to keeping meetings engaging, educational programs strong, and events running smoothly. Whether you can volunteer regularly or assist when time allows, your participation makes a real difference.

I encourage each of you to consider getting involved in a committee and helping shape the future of the South Brevard Coin Club. By building on the strong foundation already in place, we can ensure the club continues to thrive for years to come.

As you can see from our sparse lineup of programs for 2026 we are in desperate need of a

Volunteer Program Coordinator.

This task has fallen to the Board who already have their hands full! The position would require scheduling speakers, creating programs and following through with program details. It would be great to have fresh ideas for programs so please step forward so we can have an exciting year!
