Message from President

As we head into April, gold and silver prices continue to move up and down, bringing renewed attention to precious metals and our hobby. While markets may change, one thing remains constant — the enjoyment of collecting and the friendships built through our shared interest in numismatics.

These moments often bring new collectors into the hobby, giving us a great opportunity to share knowledge, stories, and experience. I encourage everyone to stay involved and join us at a meeting, visit the show, or come by Coin Talk for good conversation and fellowship. Our club continues to grow because of the welcoming spirit of a members, and I look forward to seeing you there!

Juan Montoya
SBCC President 2026
