Club Exhibit at the January FUN Show

We are again asking club members to bring in their favorite coin for our club display at the January FUN show. We would also need a note explaining how you got the coin and what it means to you. We are looking for 175 words or less in one or two paragraphs. If you sent us your coin for the summer show exhibit, we still have your description. Bring back just your coin. If this is your first contribution, we would also need the note explaining your choice for that coin.

Please bring in your coin and description to the next meeting or contact Tim Janecke (tjanecker@gmail.com) to arrange to get him the coin. Your coin will be returned to you at the February club meeting.

It is nice to see our club represented at the show and FUN has offered some substantial cash awards for the winners in the past. We hope to hear from you.
