Nostalgia

by
Jack Klein

Long before I joined the South Brevard Coin Club, I had been attending their "Second Sunday Coin Show" for several months. It was then held at the Eau Gallie Civic Center on Highland Avenue. When it moved to the Shrine Temple on Eau Gallie Boulevard, I followed. I had no idea it was sponsored by SBCC.

One fateful Sunday ... January 10, 2016, to be exact, I was walking across the Shrine parking lot headed to the coin show. I passed by Bob Mellor. I didn't recognize him. Should I have? I hadn't seen him in over 40 years when we served together at the Melbourne Police Department. He left the department about that time, 40 years ago, to finish his degree at Florida Institute of Technology to go into the space business.

Bob recognized me immediately. I was embarrassed that I didn't recognize him, but we chatted, catching up on old times. Before we parted company, Bob gave me his coin club business card. He explained how involved he was in the club, and how the club sponsored these Second Sunday Coins Shows. He invited me to stop by the next coin club meeting which, at that time, was being held at Peace Lutheran Church on Port Malabar Road in Palm Bay.

I think I surprised him, and myself, when I did. Wednesday, February 3, 2016. He introduced me to a few members, individually at first, and then to the club as a group once the meeting started.

I could now attach names to the friendly faces of those who greeted me every time I went to the coins shows. Dave Swenson would always offer me a chance to buy a raffle ticket to win a gold coin in a drawing held at the end of the show. Gerry Schmitz would then give me a raffle ticket for the hourly drawing, held during the coin show. Thanks Gerry! Dave has since retired from the club. I still see him occasionally, at the commissary or exchange at Patrick Space Force Base. Tim Janecke replaced Dave at the front table with Gerry.

At that first meeting, club president Stan Levinson asked me what kinds of coins I collected, and what I was most interested in. I remember mumbling something about American silver. But at the same time, I wanted to improve my knowledge of US nickels. John Holton advised me to start with the 1938 nickel. I wanted to ask why, but when I saw a wave of enthusiastic nods sweeping the room in agreement, I thought it was better not to reveal my lack of coin knowledge to the club on this first visit. I had to investigate for myself. I did. I call your attention to an article in the May 2022 coin club newsletter, "A Tale of Two Nickels." Two different nickels, Buffalo and Jefferson were minted that year. Now I know why! Thanks, John!

Thanks once again, to Bob Mellor, for trusting me to be custodian of the club's extensive library. Without access to all those materials in the library, I could not have researched or reported my findings on the 1938 nickel to the newsletter.

I was so warmly received at this first meeting, and made to feel so welcome, I joined the South Brevard Coin Club that very night!

Here is a copy of the page in the club ledger from that that night. Sadly, some folks are no longer with us. Some have left the club. So many have joined since that night, expanding our membership exponentially! Cheers to the South Brevard Coin Club!
