Message from the President

Fellow Members,

As we head into September, I'd like to encourage our members to consider giving a presentation at one of our upcoming monthly meetings. Our club has an incredible amount of knowledge and experience, and these presentations are a great opportunity to learn from one another and discover new areas of the hobby.

You don't have to be an expert or an experienced public speaker. Share a collecting specialty, an interesting coin or series, something unusual from your collection, or simply a part of numismatics you enjoy. Some of the best presentations are just one collector sharing their enthusiasm with others. I hope we'll see some new faces at the front of the room in the coming months. Happy collecting!

Juan Montoya
SBCC President
