Message from the President

Fellow Members,

As we celebrate America's 250th Anniversary, we have a unique opportunity to reflect on the rich history that connects our nation and our hobby. Coins have been part of the American story since the founding of the Republic, serving not only as currency but also as lasting reminders of the people, events, and ideals that shaped our country. As collectors, we are fortunate to hold pieces of that history in our hands and help preserve it for future generations.

This milestone anniversary reminds us that every coin tells a story. Whether you're collecting colonial issues, classic U.S. coinage, or modern commemoratives, each piece offers a connection to America's journey over the past 250 years. Thank you for being part of our club and for helping keep the study and enjoyment of numismatics alive. I look forward to celebrating this historic year together and seeing you at our upcoming meetings and events.

Juan Montoya
SBCC President 2026
