

MOE Congressional Term Limit Agreement (MCTLA)

This agreement (MCTLA) is made on this day 10/4/2018 between RENEE M ZENO, who is running for Congressional office of the United States of America and MOE Term Limits Inc.

Said person running for office agrees to the following conditions: I agree that my term as a congress person shall be limited to a total of no more than 24 years. The 24 years can be accumulated in any of the following ways:

Four terms (24 years) service as a Senator plus zero terms (0) as a Representative = 24 years total.

or

Three terms (18 years) service as a Senator plus three terms (6 years) as a Representative = 24 years total.

or

Two terms (12 years) service as a Senator plus six terms (12 years) as a Representative = 24 years total.

or

One term (6 years) service as a Senator plus nine terms (18 years) as a Representative = 24 years total.

Or

Zero terms (0 years) service as a Senator plus twelve terms (24 years) as a Representative = 24 years total.

Further, switching parties or forming a new party to circumvent these limitations is a violation of the contract and subject to litigation.

A Congressperson is allowed to leave office for any period of time and come back but the total years from both periods of service can still total no more than 24 years.

Finishing another Congressperson's term through a special election or appointment is not included in the 24 years of total service.
