Our 12" quiche serves 8-10 generous portions, or 16 buffet-size portions.

Apple & Cranberry Chutney

a flavourful chutney is the perfect accompaniment to cold meats, our Picnic Pie, or a cheese board. Slowly simmered apples, onions, seasonings and more make this a perfectly fruity blend. We sell out of our house chutney all the time, so maybe you will need a few jars to keep in stock!

Our Carrot Cake is layered with the very best cream cheese icing; our Lemon Gâteau has our home-made lemon curd and lemon buttercream; our best-ever Chocolate Gâteau is sandwiched with either white or dark Belgian Chocolate Buttercream; and our deliciously boozy Black Forest Gâteau has layers of fresh whipped cream and cherries. Cheesecakes

Sometimes only a Birkinshaw's Cheesecake will do. Cream cheese whipped to clouds of velvety deliciousness, folded with cream and Belgian chocolate for our Triple Chocolate Cheesecake, or with the zest and juice of fresh lemons for our Luscious Lemon version. Triple Chocolate Cheesecake; Luscious Lemon Cheesecake

Cookies & More

The best baking demands the best ingredients. We do not waver in our belief that using the best butter, flour, oats, chocolate, nuts and fruit is what makes our cookies and treats so popular.

Scottish Flapjacks (g/f)

a wonderfully simple but more-ish traditional oaty treat. Three ingredients (oats, butter and sugar) and then topped with our Florentine-inspired selection of chocolate, nuts and dried fruits. Choose from White, Milk or Dark Belgian chocolate topping.

Scones

perfect for a treat at any time, an oven-warmed scone is just irresistible. Choose from Plain, Cheese, Cheese/Bacon, Cherry, Sultana, Sultana/Spice, Cranberry/Lemon, Coconut/Lime. We also offer our Scones g/f, if required.

Welsh-cakes

a mini bite of lightly spiced deliciousness. Griddled instead of oven-baked, a Welshcake is not quite a scone, nor yet a pancake, and they certainly have their fans.

Our all-butter cookies are supremely delicious and generously proportioned! Great for a family tea-time treat or, go one further and order a Birkinshaw's Cookie Pie instead of a cake for your next celebration!

Smartie Cookies

or Smartie Cookie Pie **; Cranberry, White Chocolate, Pecan Cookies or Cranberry, White Chocolate, Pecan Cookie Pie **, Brookies (brownie and vanilla cookie combined) or Brookie Pie**, Triple Chocolate Chip Cookies or Triple Chocolate Cookie Pie** ** decorated and can be piped with name/message
