Afternoon Teas

Afternoon Tea is a traditional afternoon meal originally served with a pot of tea. The name then came to refer just to the meal itself, so an English person 'having their tea' is talking about their afternoon meal, not necessarily the drink!

Here at Birkinshaw's we offer a range of Afternoon Teas...all available for two people or more. Made up of a selection of small savoury and sweet foods, and English scones, you could not find a nicer way to pass an hour or so. ***Please note Afternoon Tea is a complete meal with a variety of courses, so do bring your appetite!*** The actual selection will vary, depending on the season's best offerings and the whims of the chef!

NB. The much prized 'clotted cream' is normally a part of a traditional Cream Tea not the Afternoon tea. We do include it with our Lady Clara as standard. It can also be added to any of our Afternoon teas for \$5 per couple.

We have a range of teas and coffees for you to take with your 'tea' and we happily offer free refills.
