

VALUE

Support Local “e is for everyone” or
Statewide “e is for economic empowerment”

- Demonstrate commitment to supplier diversity
- Create a pipeline for new suppliers
- Facilitate new supply options in local market

Create Competitive Advantage

- Meet stakeholder expectations
- Increase tax base
- Minimize logistics costs and time
- Prepare to qualify for state and federal projects

Mitigate Local Supply Chain Leakage

- Increase competition and nimbleness
- Drive creativity and diversity of thought
- Reduce costs and increase value

Apply Inclusion Best Practices

- Create Workable Strategies
- Initiate Real Inclusion Programming
- Establish Accountabilities
- Track/Report/and Celebrate

OUR SERVICES

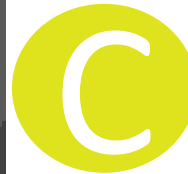

Corporate Supplier Diversity

We use world class supplier diversity best practices to implement corporate initiatives, achieve goals and sustain programs

Reporting

We create comprehensive reporting to demonstrate your efforts reaching out to diverse suppliers and documenting your achievement against goals

Small/Diverse Business Development

Our passion is developing and connecting small and diverse owned businesses to large corporations

Marketing Assistance

We provide an a la carte approach to the development of presentations, marketing collateral and social media
