<p><b>Saturday Murder Mystery Dinner: The Mystery of Toadwort School</b></p> <p>Join us for a delicious 3 course plated and served dinner with some chills and thrills... Grab your wand and robe and join us in The Mystery of Toadwort School</p> <p><b>PLOT:</b> There's a grand feast tonight at the Toadwort School of Magic and Mayhem. The headmaster, Professor Bumblebee, has invited all the students, teachers, and ghosts together for the presentation of the school's newest and most powerful artifact, the Philosopher's Scone. This marvelous object provides an endless supply of baked goods to any witch or wizard with the strength to control it.</p> <p>The hour has arrived for the unveiling—but what is this? Someone has overcome the magical obstacles guarding the treasure, and pinched the venerable Scone! Who could have done it? Was it the wayward trio, Harriet Putter, Rain Sneezely and Hermes Tranger? Was it the devious Draggio Misfit and his minion Crabby Gargoyle? Was it the strangely cheerful ghost Nearly-Noseless Nickie? Or maybe it was YOU!</p> <p>Come to dinner dressed as your Toadwort School Character or in your favorite Witch/Wizard themed garb. Get the dinner included in your All Access Weekend Pass or purchase it separately. Don't miss this fun experience with your dance friends while enjoying a first class, 3 course meal and a cash bar.</p>	\$75	\$85
