About EPC

The **purpose** of the Eastern Pulmonary Conference (EPC) CME Program is to plan and create educational activities and enduring material on clinical topics in Pulmonary Medicine. The overall educational goal is to share clinically relevant information that improves the diagnostic accuracy and the effectiveness of treatments with practitioners who treat pulmonary diseases.

- Held annually at the **beginning of September** since 2011
- **16 -18** CME credits offered
- **35** sessions with over **20** renowned speakers
- Over **30** sponsors and exhibitors
- Program includes **CME** lectures, **problem-based learning** sessions, **panel** discussions, and **abstract** presentations

Conference Venue

The Breakers • Palm Beach, Florida

The Eastern Pulmonary Conference will take place at The Breakers, located in Palm Beach, Florida. The property includes guest rooms, meeting and event space, multiple dining venues, and on-site recreational facilities. Located directly on the Atlantic Ocean, its central location provides convenient access to the beach, outdoor spaces, and nearby attractions, making it a welcoming setting for conferences and events.

Conference Policies

Right of First Refusal

With rare exception, EPC adheres to a Right of First Refusal process for companies that sponsored the previous year. Previous sponsors are encouraged to submit their application as soon as possible to hold their preferred day, time slot, and/or opportunity. Any remaining days, time slots, or opportunities will be offered on a first-come, first-served basis to companies on the waitlist.

Industry Registrations

While there is no formal limit on Industry registrations, all registrations will be reviewed to maintain a balanced and positive attendee experience. The conference may limit Industry registrations if volumes from one company are deemed excessive.

Exhibit Badges

Exhibit badges are issued based on sponsorship or exhibit level and include access to the exhibit hall only. Please note that exhibitors do not need to use the registration links on the conference website; exhibit badge names will be collected separately once exhibit space has been secured.

Hotel Rooms

Rooms at The Breakers are reserved for full conference registrants.

Exhibitors are required to reserve rooms at one of the conference satellite hotels: The Ben Autograph Collection or The Brazilian Court Hotel. For more information about these hotels, [click here](#).

Please note that any rooms booked at The Breakers outside of eligibility will be subject to cancellation, with deposits forfeited.

Abstract Presentations

EPC will showcase abstract presentations from pulmonologists and fellows-in-training. We invite you to participate by submitting your clinical research for review by our Abstract Committee. When preparing your abstract, please organize it into a statement of purpose, methods, and a summary of results, with sufficient detail to support your conclusions.

If your abstract is accepted for the conference, you will be assigned a specific day (Friday or Saturday) to present your findings.

All abstracts will have the option to be published in [*Journal of Precision Respiratory Medicine*](#).

For abstract instructions, please visit epc2026/abstract-submissions.
