

FAR MORE

new vintage

Our two-year generosity campaign to raise \$3M to expand our ministry reach.

New Vintage Church is asking God for MORE ... **FAR MORE** than we can possibly ask, think, or imagine. **FAR MORE** in you, **FAR MORE** through you, so we can reach **FAR MORE** people.

*Now to him who is able to do **FAR MORE** abundantly than all that we ask or think, according to the power at work within us ... **EPHESIANS 3:20-21***

THE BEGINNING

Since we began at Carmike Movie Theater in 2010, we have had a heart to be a church family with Jesus firmly at the center. Our mission has been to love what He loves, which is people. Our focus on sharing Jesus has led to a city-wide impact. We are continuing to see 100's of people come to Christ, get baptized, and start following Jesus.

So, we won't stop now. There are far more people that still need the transforming power of Jesus, and we want to be a part of their story. History is unfolding for so many family members, friends, and neighbors that are going to experience Jesus because of our response.

THE VISION...

Our building is maxed out. We believe that the leading of the Holy Spirit and the pressing need have brought us to a point that we must make room for far more people. We need space in every area of our church. It's time for us to respond and build so more people can discover life, freedom, healing, and purpose in Jesus. We have plans to remodel and expand our current space which will double both our sanctuary and children's spaces, add a functional lobby, and will provide much needed office space. The total square footage will go from 10,000 square feet to nearly 27,000 square feet.

THE FUTURE...

This fall we are launching a two-year generosity journey as a church titled FAR MORE. This campaign will help us grow as disciples of Christ and help pave the way for the building project. The projected cost for the total project is \$7.5 million and with money from the campaign, money from savings, and responsible financing, we will create more space to accomplish all God has set in front of us to do. We are hoping to break ground early in 2024 and finish in 2025.

THE GOALS...

- 1. 100% ENGAGEMENT:** We are asking every person at New Vintage Church to go all in as we step out in faith together to pursue what God has for us. We want all of us to pray fervently, commit fully, cheer loudly, and give generously.
- 2. RAISE \$3 MILLION:** We are encouraging all to seek and follow God about investing in the future of New Vintage Church. We are asking God to grow people in generosity to fund this expansion so far more people can be impacted by the love of Jesus.

OUR RESPONSE...

- 1. PRAY:** Pray for God to stir every single person in our church to be a part of this journey, to open your heart to what God is leading you to give towards this endeavor, and for God to reach more people for his kingdom than ever before.
- 2. PARTICIPATE IN THE JOURNEY:** Make plans to participate in the spiritual journey God is taking us on and commit to attending campaign services and events.
