Great Turnout at the OHBA Conference in Niagara Falls!

We're thrilled to share that the OHBA Conference in Niagara Falls had a fantastic turnout! It was an exciting event filled with valuable insights, networking opportunities, and discussions on the future of our industry.

A special shoutout to Heather Galloway, who will be returning as the incoming Chair of PHBA. Heather is completing another successful term on the OHBA Board as the Co-Chair of the Southwest Region, which represents 8 local associations in our area. Her leadership and dedication to the industry continue to make a significant impact on both a regional and provincial level.

I look forward to seeing you at the AGM this month, and at our special Awards of Distinction in November!
