

# October 2023 Cambridge Wall Report

1. We have found an Engineer -Alligator Consulting Engineers, Inc., George Miles P.E. , 4575 Acorn Way, Edgewater, Fl . 32141. The cost will be \$2000. , to be approved by the board.
2. I have assembled the metal landscaping edging for one house & set it in place, ready to install.
3. The presentation at the Cambridge Town Hall was well received. Thank you to Sue Chesnut for her digital help.
4. The wall now has greenery growing thru it behind 3-4 houses; this needs to be addressed soon.

Any questions, please call me at 727-455-0279
