On behalf of the
AHS Alumni Association
We Encourage You to Join
This Most Worthwhile Organization.

The AHS Alumni Association was started back in 1994 by a group of Alums, spearheaded by Bobby Santiago '59 and then principal of AHS, Tom Savage.

You too can become a part of this organization that has grown to over 1300 members and a foundation of over \$300,000.

With your membership you will become a member of the largest and most active high school alumni association in New Mexico. You will receive a membership card and quarterly newsletter, but most importantly you will be investing in our future alumni – the students of AHS.

It is all about education and how we can help our students achieve it!

Since our inception we have provided close to \$600,000 in AHSAA and donor scholarships to deserving senior students, and have made numerous donations to various sports programs, cheerleaders, the band and other events. To date the AHSAA has donated close to \$20,000 to AHS to be used for various programs. The A-Club, through its annual Breakfast of Champions breakfast has raised over \$50,000 for men's and women's athletic scholarships and programs at AHS.

And with your help there is much more to come!!

For a one-time donation of \$100.00, you will become a lifetime member.

It is always about...
