Have all your items boxed & broken down before bringing your vehicle back on site to load.

No EARLY breakdown without prior approval from Market Manager.

If running an electric cord, the cord must be taped or covered if it crosses any walk way and a small traffic cone placed in the walkway. Vendors are responsible for tape/covers. If you do not comply, you will not be allowed to run the cord.

**Weights for tents are mandatory!!! At least 25 lbs per tent leg.**

**Vendors MUST display a sign identifying the product and/or business name. Signage must be securely attached to booth, table or stall as not to interfere or impede foot traffic.**
