NOTES

The new Covenants were passed on April 5th and registered on April 7th. Those Covenants were posted on our website. They are available at "northmnsterplacehoa.com".

There appears to be a sales contract on Lot #46 at 645 Lakeview Bend Cir. This will cause all of our original property to be occupied. Closing is tentatively scheduled for May 20th.

Special Thanks

To the following members of our Association, Melanie and Roger Hellman, Steve and Sara Ross, Henry King, Merle Milburn, Robert Reafler, and David White for the Landscape improvements at the Clubhouse and the front exit gates.

REMEMBRANCE

One of our friends and neighbors, Gary Smallen, passed away last month. Let us pray for his wife, Mary Beth Smallen, and their family during this time of loss.
