After completing the above:

Next step:

Add cell phone
Number, it must
be the same number
that you gave the
administrator
for the app to work.

Click on Northminster Place and
the app will go to the open and
close gate feature. This will not
work until the gates are turned on.

Remember for the app to work you must be registered with the administrator first. You must provide them your name, cell phone number. We will provide you a code that we set up for each house and person. You can not use the same code or cell phone number for another app. Each app setup requires a separate phone number and code. You can use the code of another family member to get in the gate using the call box key pad.
