BISHOP & ASSOCIATES

WORKERS COMPENSATION INSURANCE

GENERAL LIABILITY

NYS PAID FAMILY LEAVE

CYBER INSURANCE

Dear ROC Member:

Todd's reputation precedes him: ROC membership is priority ONE.

The ROC Board of Directors fully supports Todd and Bishop Associates in conjunction with the insurance programs he brings to the Restaurant Operator's Cooperative. His honest and straightforward approach has been Todd's hallmark throughout the last 26 years.

Please do yourself a favor, give Todd and Bishop Associates your time and attention. His dedication to the welfare of ROC has never waived and we certainly appreciate that.

Todd continues to offer an aggressive program for Workers Compensation coverage, General Liability and the NYS DBL-Paid Family Leave programs and is now introducing Cyber Insurance.

In today's world, Cyber Security is imperative. Bishop Associates offers a range of cyber policies tailored to be budget conscious, giving you essential protection without breaking the bank.

ROC members also receive monetary rewards when choosing a participating vendor. Bishop Associates proudly give back to ROC every year since 1998. For further information regarding the endorsed programs, please feel free to contact the ROC office at 518-456-9000 or call Todd Bishop directly at 518-424-7158

Sincerely,

ROC Board of Directors
