GLOSSARY

Traditional Leather

Our traditional leather duty gear is crafted from premium full-grain leather, offering timeless style, exceptional strength, and lasting reliability. Built to endure daily use while maintaining a polished, professional look, it's trusted by law enforcement and security professionals. Available in a variety of hardware & snap options.

K-Force

The K-Force line combines the strength of weatherproof polymer laminate with the look of genuine leather. Durable, low-maintenance, and professional, it resists moisture and wear while maintaining its finish. Available in Plain, Basket Weave, and High Gloss for lasting performance and classic style. Available in a variety of hardware & snap options.

L-Force

The L-Force line offers dependable performance and professional style at an affordable price. Made from durable laminate with a leather-like finish and sleek black edge binding, it's lightweight, easy to maintain, and built for daily duty. Available in Plain and Basket Weave. Available in black snaps only.

GLOSSARY

NEW

NyForce

The NyForce line delivers rugged, hard-molded synthetic nylon duty gear built for strength and long-lasting performance. Lightweight yet tough, it resists moisture, impact, and wear while maintaining a clean, professional look. Designed for officers who demand dependable gear that performs under pressure. Available in a variety of hardware & snap options.

Phoenix Nylon

The Phoenix line offers rugged reliability and all-day performance with strong ballistic 1050D nylon and a thermoformed core for lightweight durability. Featuring no-shine black or hidden snaps for a tactical look, this line delivers strength, comfort, and flexibility in demanding environments. Available in black or hidden snap.

NEW

Nylon Light

A softer, lighter nylon series designed for all-day comfort without compromising durability. This line of duty accessories offers dependable performance, reduced weight, and a sleek professional appearance for everyday duty wear. Available only in hidden snap.

GLOSSARY

MOLLE

Built for versatility and strength, our MOLLE accessories feature hard shell, multi-layered construction from durable 500-600D nylon. Available in multiple color-matched options, they provide secure, customizable attachment for tactical setups. Ideal for military, law enforcement, and field use.
