Betty L. Smith, of 1425 N. C St., is in critical condition this morning March 7, 1980 in an Omaha hospital after an accident Thursday night on west Dodge Road in Omaha. Douglas County Sheriff authorities said Ms. Smith was eastbound on Dodge about 7:30, following a car driven by Rodney Runsteen, 66, of Omaha. He stopped to make a left turn and Ms. Smith apparently ran into the stopped car, said Captain James T. Wintle. Authorities said they do not know why she hit the parked car. The impact pushed her car into the oncoming lane of traffic, where it bounced off a westbound car and roiled, Wintle said. The driver of that car was Debra L. Montoya, 16, of Omaha. He said Ms. Smith suffered head injuries and was taken to Nebraska Methodist Hospital. Mrs. Runsteen, a passenger in the car her husband was driving, received minor cuts and bruises, Runsteen said. Ms. Smith was alone in the car and Ms. Montoya escaped injury.

Notes for Madison Swain:

Madison Swain has been a part of my 2020 Senior Model Team this year and she has been such a bright light the whole year! She was originally scheduled for in the middle of all the craziness in the world and we needed to reschedule because of it, but we were given gorgeous weather, beautiful light and a way to celebrate when so much has been taken away from these seniors this year! My heart truly breaks for them! Madison will be attending Florida State University this fall and she is just so excited to get out and meet new people and experience the whole college thing!

With Madison being a part of my 2020 Senior Model Team, she has had a few different sessions this year all with different looks and backgrounds, so she opted for a natural, green setting for her individual session because we haven't had a ton of that this year in other shoots! I had her meet me at one of my random abandoned lots for the first location and then we drove to one of my favorite nearby parks! I LOVED her outfit choices; they went so well with the setting and springtime!

Marriage Notes for Aaron Parisho and Kaitlin Edmondson:

While planning their August wedding, Kaitlin Edmondson (25 and a wedding planner) and Aaron Parisho (27 and a certified public accountant) knew one thing for sure: A barn was an absolute must. "Both of our mothers grew up on their family farms, so the idea of a barn wedding just felt right," Kaitlin says. The only problem? The venue they had their eye on was under heavy construction. "We had to climb a makeshift staircase, and you could see the first floor via holes in the second-story floor," Kaitlin says of their first visit to Cottonwood Barn in Dexter, Michigan. "I may have raised a few eyebrows when I showed people our venue, but the end product was absolutely stunning." Armed with a muted color palette of blush and gold, the couple used gold sequined linens and mismatched vintage china to turn their rustic venue into a romantic reception space. For a luxe contrast to the natural wood detail of the space, gold chiavari chairs and gilded candles were also brought in. One detail we especially loved: the lush arrangements of dahlias, garden roses and astilbes created by Eden Designs of Brighton, Michigan. "I wanted arrangements that looked as if you'd run through a field of wildflowers and picked some up," Kaitlin says. "Our florist absolutely nailed it." After exchanging vows in an outdoor ceremony overlooking a small pond, the newlyweds and 200 guests retreated to the air-conditioned barn for dinner and dancing among high-top tables made from whiskey barrels. As for wedding favors, the couple treated guests to handmade pretzels, a wedding tradition common in Aaron's family. "Every detail represented us perfectly," Kaitlin says of their celebration. "We just wanted to make sure our guests understood how thankful we were to be surrounded by all our family and friends."
