Notes for William Charles Katz:

History of Calhoun County, Michigan. By Hon. Washington Gardner, The Lewis Publishing Company - Chicago & New York, 1913.

William C. Katz, Sr., a prominent cement contractor of Marshall, Michigan, and a leader in that business in the county, has been identified with the cement business in an active way since 1902. He has learned the business from beginning to end, and is known for one of the competent and capable cement contractors of the county.

Mr. Katz was born in Fredonia Township, Calhoun County, in November 21, 1864, and has passed his life thus far within the confines of his native state. He is the son of William and Caroline (Marshall) Katz. The father died in 1866. The mother, born in Germany, died April 3, 1911.

Their son, William C, Sr., acquired his education in the public schools of Marshall. After finishing with his high school course he learned the trade of a cooper and followed the business for several years. In 1902 he first became connected with the cement business, and after learning well the art of successfully mixing and blending the materials, he engaged in cement contracting, in which business he has continued since that time, doing a thriving business in season. He now employs a large force of men, and commands a good share of the cement business which is annually let in Marshall. He is a heavy purchaser of the materials used in his work and purchased his supplies by the car load, thus securing bottom prices. He procures his cement from Lansing and Chicago, as well as such other materials as he has use for in the business. In addition to the building of walks, curbs, foundations, etc., he also manufactures cement blocks for use in building, and his work may be found on every street in Marshall, where he has a reputation not alone for performing well-appearing work, but work of the greatest permanency and durability.

On December 23, 1886, Mr. Katz married Miss Anna D. Wackenhut, a native daughter of Michigan, her parents being pioneer settlers of the state. Six children have been born to Mr. and Mrs. Katz: John F., William C, Jr., who is associated with his father in the cement business; Ernest C, Irwin F., Arthur G. and Viola May.

Mr. Katz is a member of the Maccabees, also of the Independent Order of Odd Fellows No. 5, and the Knights of Pythias. The family home is maintained at No. 938 South Marshall Avenue, and is a large residence, in every way suited to the needs of the household.

124. Charles Ernest⁶ Katz (William Charles⁵, Karolina⁴ Mohrlock, Christian³, Johann Peter², Johannes¹) was born 26 Jul 1890 in Marshall, Calhoun Co, Michigan, and died 28 Aug 1952 in Battle Creek, Calhoun Co, Michigan. He married **Mary Foster Markham** 14 Nov 1926 in Marshall, Calhoun Co, Michigan, daughter of Samuel Markham and Edith Orison. She was born 1905 in Adrian, Lenawee Co, Michigan, and died Aft. 1940.

Notes for Charles Ernest Katz:

Sept. 9, 1925 - When Coroner Harold B. Weeks arrived at the Charles Ernest Katz farm in Fredonia Township this afternoon, he found the remains of an extremely dead Indian. The man may have been dead a thousand years but at least he has been dead a hundred years. This morning white Mr. Katz was plowing a 40-acre lot on a farm which he owns near Nottawa creek his plow point turned over some clam shells. He couldn't mark out how clam shells got in there so he went back and investigated.

He took a shovel and dug up a jaw bone with some teeth in it. Then he found the legs or arms of the skeleton and then his son George suggested the sheriff ought to be notified. Deputy Sheriff Harther answered the call and he notified Coroner Weeks. An Evening Chronicle reporter went out and viewed the "remains" and incidentally looked over one of the finest and most productive farms in Calhoun county.

Sept. 11, 1925 - The finding of a skeleton on the farm of Charles Katz in Fredonia township near Nottawa Lake may not be a much of a joke as was first supposed. It now develops according to Coroner Weeks there were two skeletons found by Mr. Katz instead of one. Some years ago a man and his son lived in a log cabin on the place. It is lined on the south with swamp land and they remained there until about fifteen years ago. A horse trader came to that vicinity about that time. The father and son were never seen afterwards. The horse trader was located in Canada later and was tried on a charge of murdering a man and hung, but not in connection with the disappearance on what is now the Katz farm.

The position of the skeleton which was found lends some weight to the theory that it was that of a murdered man. It occupied a comparatively small space indicating that the body had been doubled up when buried and it was in very shallow ground. The house which the man and boy occupied burned and was never rebuilt.

Charles Ernest Katz, 62, of 540 River, died at 6:40 p.m. Thursday Aug. 28, 1952 in Battle Creek hospital, where he had been a patient for four days, although ill for the last 10 months. He was born July 26, 1890 in Marshall, a son of William and Anna (Walkinhood) Katz, and lived all his life here. He was a cement finisher by trade, and in association with his father laid many of the sidewalks in Marshall.

On Nov 14 1926, he married Mary Foster Marken of Adrian. Their only child, a son, Mark, died in 1943. Surviving in addition to the widow are a sister, Mrs. Viola Mainstone of Battle Creek, and three brothers. John, William and Erwin, all of Marshall.

Notes for Frederick Albert (Fritz) Weber:

Life-long Chelsea resident and former Chelsea Village Manager Frederick "Fritz" Weber died last Friday morning May 26, 1989 at his home after a long illness. He was 58. Weber, who served as village manager from 1969 until shortly before his death, was the village's first manager. Upon being elected village president in 1989 he was appointed manager and promptly resigned as president. He had worked part-time at his home for more than a year, primarily on financial matters. One of his final official acts was to create the village's current budget, as well as help new manager Robert Stalker adjust to the job. Weber had planned to retire officially June 1 and had been eagerly anticipating his daughter, Shelley's, wedding. Arrangements had been made for the Chelsea Fire Department Rescue Squad to take him to the ceremony. "I feel very bad," said village president Jerry Satterthwaite. "Other than his family, he put the village foremost in his life. I guess his major accomplishment was that he made sure the village was on solid "financial ground. He was very conservative and he made sure money wasn't squandered."

Satterthwaite said that Weber was instrumental in making sure the village's electrical utility was not sold off to Consumers Power Co. in the 1970's, and that stands as perhaps the wisest decision the village has ever made.

Weber's colleagues and friends almost invariably use the word "dedicated" to describe him. They say he was dedicated to his family, the village, and softball. Three of his four daughters played softball for Chelsea High School and Weber spent many afternoons watching them play. In addition, he was the driving force behind the establishment of Dana Park, where area softball teams play virtually every night of the week. A Fritz Weber Memorial Softball Award has been set up at Chelsea High school. One of Weber's closest friends, Johnson's How-To Store owner Sam Johnson, said being village manager was more than just a job to Weber. "He was personally interested," Johnson said. "I think that's why he used to get so upset when the village was criticized. It wasn't just a job to him and I think he had a hard time separating his personal feelings about the village. Personally, I'd like to see him honored by having one of the fields at Dana Park named Weber Field."

As part of his job, Weber was also instrumental in forming the Michigan Public Power Agency, which has helped the village purchase electricity at reduced rates. That, in turn, has translated into a reserve of more than \$2 million, which the village borrows against to finance major repairs and other projects. Weber served as MPPA commissioner in 1978, as secretary-treasurer from 1983-85, and vice-chairman from 198-88. He was also elected to the board of directors of the Michigan Municipal Electric Association in 1978 and served as its president in 1980-81. Weber was also a member of St. Mary's Catholic Church and Knights of Columbus Council 3092. He was a veteran of the U.S. Army during the Korean Conflict.

He is survived by his widow, Sandra, and four daughters, Joan, Michelle, Anne, and Karen, all of Chelsea. Other survivors are his brother, William, of Chelsea, and brother, Robert, of Owosso, and two sisters, Mary K. and Phyllis Weber, also of Chelsea.

Frederick A. "Fritz" Weber, 175 Orchard St., Chelsea, age 58, died Friday morning, May 26, 1989 at his home following a lingering illness. He was born in Chelsea on Feb. 15, 1931, the son of William J. and Mary Magdalen (Eisele) Weber. On Nov. 11, 1961, he married Sandra K. Buehler and she survives.

Fritz was a life-long resident of Chelsea and was the first Chelsea Village Manager, serving in the position from April 1, 1969 until his death. Fritz served on the village council from May 1964 until he was elected president in 1969. He was instrumental in forming the Michigan Public Power Agency and served as a commissioner in 1978, secretary-treasurer in 1983-85 and vice-chairman from 1985-88. He was elected to the board of directors of the Michigan Municipal Electric Association in 1978 and served as its president in 1980-81. He was a member of St. Mary's Catholic Church and the Knights of Columbus Council 3092 and a veteran of the U. S. Army during the Korean Conflict.

Surviving, in addition to his wife, are his four daughters, Joan, Michelle, Anne, and Karen, all of Chelsea; two brothers, William C. Weber of Chelsea, Robert L. Weber of Owosso; and two sisters, Mary K. Weber and Phyllis Weber both of Chelsea; and several nieces and nephews.

Mass of the resurrection was held Monday, May 29, at 12 noon from St. Mary's Catholic Church with the Rev. Fr. Philip Dupuis officiating. The Rosary was recited Sunday evening from the Staffan-Mitchell Funeral Home. Burial followed in Mt. Olivet Cemetery, Chelsea. Shortly after 6 p.m. Wednesday, Burr Oak firefighters were called to a wood shop fire at 30144 Kelly Road in Burr Oak Township. It took them less than five minutes to arrive at the scene, said fire chief

Rich Ultz. But flames already had engulfed the shop belonging to Royal Klingler, owner of Burrwood, Ltd.

Firefighters from Tri-Township, the second department to arrive, helped extinguish the blaze. From a pond in the neighboring yard, the tankers were able to repeatedly replenish the water supply. The Klingler home and a second shop housing a business that supplies rats and mice to pet stores were saved, Ultz said.

Royal and his wife, Cheryl, were home at the time of the fire. "I have no idea how it could have started," Royal said. "I'm just glad he wasn't out there," Cheryl said. But together, they watched the woodshop ablaze. As soon as the fire was controlled, Ultz summoned Mark Smith, a local excavator, to remove the metal roof, which needed to be dismantled to reach the flames. "That roof was one week old," Ultz said. The 40-by-60-foot shop held woodworking equipment, lumber for future projects and one project in the works. It also housed lawn mowers and "tools like you wouldn't believe," Royal said. He had just completed a kitchen project and had it installed, Cheryl said.

Before the fire was completely out, Royal talked about the future. "Oh yeah," he said, "I'll rebuild." While it's the firefighter's task to put out the fire, people come first for Ultz. "I'm just glad they're OK," Ultz said. "They did everything right. They called us and didn't try to put it out themselves." That's a concern he had, knowing Klingler's love of woodworking. "He put his heart into this business," Ultz said. Despite the devastation, Royal kept things in perspective. "It's just a building," he said. Ultz said the cause of the fire is under investigation but given the extent of the damage, it may be impossible to determine.
