December Newsletter

BAT360 UPDATE

We're thrilled to announce a fantastic start to life at BAT360! We have successfully signed up over 1,000 accounts since our launch in October. A massive thank you to everyone who has supported the project during this time. We have seen numerous boys and girls, as well as senior men and women, utilising our facility for club training, bowling machine practice, and bowling over the past two months.

WHATS ON

So far, we've kicked off our Girls Junior Academy, welcoming 7 players weekly who are diligently honing their batting and bowling skills through the winter. We're excited to announce that we will be starting our Boys Junior Academy in the new year, catering to all players. Look out for details as we will be sending them out towards the end of the year.

CHRISTMAS COACHING CAMPS

This holiday season, we will be hosting a handful of days of coaching camps.

Dates are December 22nd, 23rd, and 30th, running from 10am to 3pm each day for only £40 per session. As always spaces are limited. If you're interested in booking a spot, then just head to the booking system and sign up. These camps are great for players of all levels with the coaching team made up of ECB 2 and elite tier 1 players

We will also continue to offer private coaching sessions with our in-house coaches, along with some group coaching opportunities in the new year.

Furthermore, we look forward to hosting clubs in 2026 for their junior and senior winter programs.

LEWIS MCMANUS

EXCLUSIVE 121'S

In exciting news, we're pleased to have Lewis McManus join us for his pre-season training, working alongside ex-England and Hampshire CCC batsman Michael Carberry.

Lewis, a former Hampshire CCC and current Northants CCC wicketkeeper-batsman, will be available in December for exclusive 1-2-1 session. At present we have 2 days booked on the 22nd and 23rd from 3pm so spaces are very limited and we expect these sessions to get booked out quickly.

This is an amazing opportunity for players of any standard to have coaching provided from a current county player and his level experience in different formats of the game. Sessions are only £60 per hour and can be booked on our TeamUp booking system

GIFT IDEAS

Wondering what to get a cricket badger something for Christmas then look no further than BAT360, Christmas gift cards are perfect for stocking fillers these can be purchased on the TeamUp store in values from £10 and can be used for booking sessions or buying equipment!

Session Packs, 5 or 10 are tremendous value and drive the overall price down on lane hire starting at £140 for a 5 session pack, these never expire and can be used to book a lane at any time again these can be purchased online or in centre.

Additionally, we are excited to announce that we have started collaborating with an independent bat maker to provide high-quality cricket bats for purchase. We will have our own custom logos designed to personalise any bat bought from our centre. Our inventory includes size 5 and 6 junior cricket bats, as well as senior bats, all at very reasonable prices. Each bat purchased in December get a free lane session
