

SOUTH BLOOMFIELD IS GOING GREEN !!

WHO - The South Bloomfield Trustees' Brady Young, Robby Lloyd, and Eugene Linkous. Clerk- Dawn Lloyd and Fiscal Officer and Zoning Inspectors Julie Coe-Hilton are have started a "Go Green Campaign" to increase your family's safety!

HOW IT WORKS - The Board of Trustees have purchased green reflective address signs for each address in South Bloomfield! if need. Your fire department, Central Ohio Joint Fire District (COJFD) has been gathering needed addresses. This community safety effort is unheard of.

WHY? - Time really does matter. We responded to over 149 calls for emergencies according to the 2020 COJFD Annual Report for South Bloomfield. Ever call had a paramedic or paramedic/fire engine en-route to you. The faster our medic unit or paramedic fire truck can locate you and your family can increase life saving seconds, decrease fire loss, and decrease response times! Finding your house number is a the BEST way for us to find your family FAST!

TIME FRAME - By the end of August 2021 ALL addresses that need a sign will be hand delivered to your door by a Central Ohio Joint Fire District Firefighter in a department vehicle. Our firefighters will help attach the sign if needed. If you have any questions please contact the Central Ohio Joint Fire District non-emergency number (740) 625-5646 or reach out to a South Bloomfield Board member at <https://southbloomfieldtwp.com/contact-us>
