Last month at Calvary...

Calvary Updates

This is a forum to find out what's happening at Calvary. Our church is a living, breathing place. Take some time to read about the body that is Calvary so we can tell each other and the community our story, who we are, what we care about and what we believe.

In These Pages...

Calvary is a big church with a lot going on! That means many ways to connect with your church family- worship events, education opportunities for all ages, classes, groups, and activities.

There is something for everyone...take a look!

We began the season of Lent on March 6 with a packed Sanctuary. So many people work hard to make Lent a special time at Calvary and this year is no different. The youth serve meals, confirmation students dance and act as worship assistants and musicians bless us with their wonderful music.

The Honduras team made it safely home after a great week of making new friends, serving and walking alongside the people of Honduras.

Thank you to this great group of people who make up our church council. Your faithfulness and leadership is an asset to Calvary. The church council meets on the second Tuesday of each month and members of the council can be contacted through the church office!

A NOTE FROM PASTOR KIRK

OK, let's see how the ditty, "April showers bring May flowers" turns out around Grand Forks this year. Showers and flowers are great in theory of course, but mud, potholes and, thanks be to God, longer, warmer days are also some of April's defining features around these parts. And this year, the possibility of flooding is a whole different matter. Please remember to keep our neighbors in the Fargo/Moorhead area in our prayers even as we grieve the losses in places around Nebraska, Iowa and South Dakota who have already been decimated by that last blizzard.

As citizens of Grand Forks know very well, flooding is a life-changing event that no one would wish on anyone. At the same time, Calvary is determined to reflect the power and presence of God's Holy Spirit throughout our Lenten journey each and every year. This year's theme of "Searching..." is a creative way of preparing us to receive the good news of God's Easter resurrection of Jesus, our King. By God's grace, we are called to be a congregation of disciples being caught up in this life-changing time and place for the sake of the whole world. A world that has its share of "mud" and "potholes" that challenge our patience and courage. A world where there's a possibility of deep emotional or physical "flooding" that can easily threaten our faith community. But in this very world of sin and death, we celebrate God's love together. A love that even attends to such life-changing moments as the massacre in New Zealand last month, let alone our own, perhaps private brokenness.

I was reminded of the way God uses others to provide **life-changing moments** in my own life as sixteen of us joined our brothers and sisters in Honduras this past month. If you've traveled down to Honduras in the past you understand. If you've been praying for and contributing to Calvary's food program to Honduras over the years, you also trust that God cares deeply about them (and us)! And if you've ever been on any kind of a Christian mission, I hope you were also blessed by those who ministered with and to you. And I have to say, thanks be to God for raising up leaders here at Calvary who structure these opportunities from A to Z.

Easter Sunday (April 21) is the center pivot of Calvary Lutheran Church, as it is in every single faith community. May God's presence in our corporate life help sustain you and your neighbors as we worship God in all God's glory!

Highlights of the CHURCH COUNCIL

March 2019

Treasurer's Report - January Overview

Income in February was 9% lower or \$5,000 lower when comparing with the prior year. The timing of Lent is often a factor when comparing monthly receipts. In 2018, Ash Wednesday occurred on February 14, whereas in the current year, Ash Wednesday was three weeks later on March 6.

Calvary worshipers were given an opportunity in February to support the Honduras mission team by participating in noisy offering. The Honduras mission team received \$1,100 for their mission trip which began February 21. Events in February included the opportunity to enjoy *Won't You Be My Neighbor* as the February Faith in Film feature and the GLOW Family Dance.

Year-to-date income through February is still considerably lower than the prior year and the five-year average. Year-to-date expenses were \$13,000 lower than the prior year, while equal with the five-year average. The weather may be a consideration in the lower-than-expected income for the first two months of the year. One avenue we as leaders of Calvary can take is to continue to share the amazing things happening at Calvary, and how none of these things are possible without the generosity of our congregation members.

Council Business

A Columbarium representative will be selected and join that committee from the church council and there are ongoing talks of a capital campaign to finish paying the debt of the 2014 building expansion and the purchase of the rest of the 1400 block. Pastor Kirk is in the process of creating a team of people to take on this project. There is going to be a special stewardship event on April 7 to help catch up with lower income. There will be people available to help members sign up for online giving if they would like to do that. Aaron Bye, our Youth Ministry Coordinator, is going to be attending seminary half-time and will be serving Calvary half-time. We are looking for an additional part-time youth coordinator to serve with Aaron.

Officers and Ministry Teams

The stewardship team is in the process of forming a committee. We have brainstormed some ideas that'll hopefully encourage participation and giving going forward. Tenth grade students had a baptism theme event at Christus Rex on March 3. Sixth-ninth grade students began serving as Lenten Worship assistants on Ash Wednesday and will continue through the season. The youth team is discussing the future of the Youth Coordinator position and the possibility of hiring someone to replace Aaron as he begins at seminary. The evangelism team is making follow-up calls to our last new member group as well as gearing up for the next new member class in May. The pastors, some worship members and education team members met to discuss Sunday School. Jackie gave a detailed history of worship and Sunday School schedules, which have coexisted simultaneously since its inception. We did toy around with some alternative options of Worship/Sunday School schedules, but ultimately decided that how we are doing it now works well. Families do have the option of attending worship and sending kids to Sunday School at separate times. This topic may be revisited in the future. The parish fellowship team met on to continue planning fun events for the congregation. There is an Easter egg hunt planned for Easter morning. The team also brainstormed a "God's Work Our Hands Sunday"-a sort of Mission Blitz reinvented in the spring versus the fall.
