

Tenley Dexter Herding Clinic

March 31 - April 2, 2023 (Fri-Sun)
Bettie Kinsley's Farm
9397 Hwy. HH, Robertsville, MO 63072

Gateway ASC will host another three-day cattle, sheep and duck clinics March 31-April 2 at Bettie Kinsley's farm with Tenley Dexter as the clinician.

The cost of a working slot is \$400. Auditing is \$35/day for non-GASC members. **Free auditing to GASC members.** The clinic is limited to 12 working slots with unlimited auditing. Handlers will get two working slots each day. **GASC members who have completed their club service hours will have priority for working slots until 2/20.** After that date, any others interested in attending will be on a wait list and accepted in the order they are received until the clinic fills.

The clinic will begin at 8 AM each day and will wrap up somewhere around 6 PM. Cattle, sheep and ducks are being offered, with access to a round pen, small sorting pens (for sheep), a 120x200 trial-type arena, 200x350 and the large field for "B Field" work for sheep or cattle.

GASC will provide lunch, water and snacks each day. If you want to contribute a favorite snack or dessert, please do so.

As is the rule for most clinicians, no videotaping at the clinic, please.
