

Praying for Our Children

To: *All Who Have a Love for Children*

Attached is a Special Prayer for Children given to me (Dionne Gilbert) by the Holy Spirit to pray during a 24/7 Prayer Vigil with S.O.C.O.M Ministries, SAVE OUR CHILDREN/ The Movement. I invite you to pray this prayer, even if you do not have children of your own. We can stand in the gap for all children through our prayers.

2 Chronicles 7:14; Isaiah 54:13

We thank you Father for covering all our children with the blood of Jesus. Help them know that You love them unconditionally. We are confident that You hear us, and You do answer prayers. Your Word says in James 5:16 "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much."

We decree and declare that our children are smart, wise, loving, kind, compassionate, and thoughtful. Our children will dance in the Spirit, because they are sanctified and filled with Your precious Holy Spirit. Thank You for Your saving power.

Our children are more than conquerors and You God always cause them to triumph.

We thank You in advance for the miraculous, and supernatural move in our children's lives in Jesus' name, Amen! And so, it is!
