

Wyandot County

Develop - Strive - Retain

Young Professionals

Making Local Impact

Since its inception, the WCYP donated over \$136,000 to local charitable efforts and organizations by bringing entertaining events and activities to the Wyandot County community. It used those proceeds to award \$51,500 in local scholarships, support multiple entertainment and recreation projects, and partner to complete other community improvement and service projects.

An Engaged Social & Service Club

The WCYP is a 501(c)3 charitable organization focused on retaining young talent in Wyandot County through anything from service projects to facilitating exciting fundraising activities that benefit local charitable causes. The group holds monthly social gatherings, or "meetings", but prides itself on being as casual as possible while striving to maintain focus on its mission.
