FECO (RSO) FULL SPECTRUM

1g 77.18% \$20

FECO stands for Full-Spectrum Extract Cannabis Oil. FECO is a dark, thick oil that comes packaged in a syringe for precise dosing, it is recommended to run the syringe under warm water for easier use. It is usually consumed orally and processed through the liver like an edible. Although, it can also be applied topically to the skin. Due to its high potency, begin with a very small dose, no larger than a grain of rice. So if you don't feel anything at first, wait 2-3 hours before taking a small dose again. Edible effects can last 8-12 hours. FECO has been used to aid in: Pain relief, Reducing anxiety, Easing of cancer-related symptoms, Reducing inflammation.

Full-spectrum CBD contains all of the extracts naturally found in the cannabis plant, including small amounts of THC (the psychoactive compound associated with the marijuana "high"). Full-spectrum CBD is thought to exert the optimal benefits of CBD due to the interaction of the various compounds and may be the ideal choice for those who are not concerned about trace exposure to THC
