Please list dance/acrobatic tricks your child knows that you would like us aware of:

While we CANNOT guarantee we can use all or any of these in our routines, we do our best to highlight skills in routines, depending on the size of the group, choreography, skill levels, etc.

I understand that the IRCA will send a competition waiver to be filled out to the email address I have listed above if we choose to compete with the IRCA. I have no more than one week to complete this waiver, and if the IRCA has to re-send to this, or to another address, I understand there is a \$25 fee to have this done, which I, the parent/guardian will have to pay. There will be other competition organizations that we will compete with, who will require a waiver as well. They may be electronic or physical paper copies, as each competition is different and I understand that as soon as they are available all parents must fill them out as soon as possible.

I agree to have my child compete in all competitions our organization has signed up for, for the Fall 2021 Season, barring illness.

Upon signing this document, I am confirming that I have read all 6 documents needed for registration and have agreed to abide by all the rules stated in the documents.
