

Eastern Allergy Conference

Sponsor & Exhibitor Prospectus

May 28 - 31, 2026
The Breakers ~ Palm Beach, Florida

Jointly provided by the American College of Allergy, Asthma & Immunology (ACAAI) and the Eastern Allergy Conference (EAC)

About EAC

The **purpose** of the Eastern Allergy Conference CME Program is to plan and create educational activities and enduring material that will develop, maintain, update, and enhance the clinical practice of allergy, asthma, and immunology. The overall educational goal is to share clinically relevant information that improves the diagnostic accuracy and the effectiveness of treatments with practitioners who treat allergies, asthma, and the immune system.

The **history** of EAC began in 1987, when Dr. Guy A. Settupane recognized the need for a regional conference on a larger scale than those that existed at the time. His vision was to combine the informal atmosphere of a small regional meeting with the cutting-edge scientific content of a major national conference. The inaugural EAC was held at the Southampton Princess in Bermuda and was an outstanding success. Since then, the conference has continued to uphold its tradition of pairing a high-quality scientific program with an informal atmosphere in a desirable location.

Conference Venue

The Breakers ~ Palm Beach, Florida

The Eastern Allergy Conference will take place at The Breakers, located in Palm Beach, Florida. The property includes guest rooms, meeting and event space, multiple dining venues, and on-site recreational facilities.

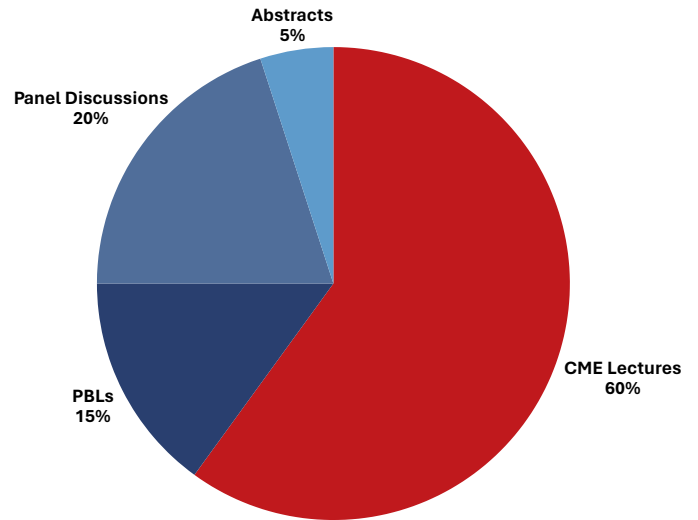

Located directly on the Atlantic Ocean, its central location provides convenient access to the beach, outdoor spaces, and nearby attractions, making it a welcoming setting for conferences and events.

May 28 - 31, 2026
The Breakers ~ Palm Beach, Florida

Conference Statistics

- Held annually in **late May/early June** since 1987
- **16 -18** CME credits offered
- **35** sessions with over **20** renowned speakers
- Over **30** exhibitors and sponsors
- Program includes **CME** lectures, **problem-based learning** sessions, **panel discussions**, and **abstract presentations**

Feedback from 2025 EAC Attendees:

"Great people, great speakers, great venue."

"Loved the breakout sessions that were very relevant for all licenses: MD, RN, NP."

"It gave me more in-depth education on different allergy topics I can use in my practice."

"Excellent conference, as always."

Conference Policies

Right of First Refusal

With rare exception, EAC adheres to a Right of First Refusal process for companies that sponsored the previous year. Previous sponsors are encouraged to submit their application as soon as possible to hold their preferred day, time slot, and/or opportunity. Any remaining days, time slots, or opportunities will be offered on a first-come, first-served basis to companies on the waitlist.

Industry Registrations

All Industry registrations will initially be placed on a waitlist. During waitlist registration, information will be collected, except for payment. As spots become available, registrants will be promptly notified and moved off of the waitlist, at which point payment will be required. Registration is confirmed once payment has been received.

Sponsors are allocated full-conference registrations (registration rates apply) based on their sponsorship level. These registrations will be removed from the waitlist once confirmed by the Sponsor. Registrations that exceed the allocated amount are **not** guaranteed a spot at the conference.

Due to high demand, non-sponsoring companies will be limited to 1 full-conference registration and will also be placed on a waitlist.

Exhibit Badges

Exhibit badges are issued based on sponsorship or exhibit level and include access to the exhibit hall only. Please note that exhibitors do not need to use the registration links on the conference website; exhibit badge names will be collected separately once exhibit space has been secured.

Hotel Rooms

Rooms at The Breakers are reserved for Clinicians, Fellows, and EAC Sponsors.

Clinicians and Fellows will receive a room reservation link (with unique booking code) in their registration confirmation email.

Sponsors will receive a room reservation link (with unique booking code) upon securing their sponsorship and may only reserve the number of rooms allocated in their sponsorship level.

Exhibitors are required to reserve rooms at one of the conference satellite hotels: The Ben Autograph Collection and The Brazilian Court Hotel. For more information about these hotels, [click here](#).

Please note that any rooms booked at The Breakers outside of eligibility will be subject to cancellation, with deposits forfeited.

Sponsorships

Diamond – \$39,000+

- Up to 2 (8' wide x 6' deep) exhibit booths with preferred location
- 4 exhibitor badges

Hold Harmless Clause

The exhibiting company assumes full responsibility and agrees to protect, indemnify, defend, and hold harmless the Eastern Allergy Conference (EAC), The Breakers Palm Beach, Creative Meeting Planners, and their respective employees and agents from and against any and all claims, losses, damages to persons or property, governmental charges or fines, and attorneys' fees arising out of or resulting from the exhibitor's installation, removal, maintenance, occupancy, or use of the exhibition premises or any portion thereof, except to the extent such liability is caused by the sole negligence of The Breakers Palm Beach, its employees, or agents.

In addition, the exhibitor acknowledges that EAC, The Breakers Palm Beach, and Creative Meeting Planners do not maintain insurance coverage for the exhibitor's property. It is the sole responsibility of the exhibitor to obtain any necessary business interruption and property damage insurance to cover such losses.

Abstract Presentations

EAC will showcase abstract presentations from allergists, immunologists and fellows-in-training. We invite you to participate by submitting your clinical research for review by our Abstract Committee. When preparing your abstract, organize it into a statement of purpose, statement of methods, and summary of results in sufficient detail to support the conclusion reached.

If your abstract is accepted for the conference, you will be assigned a specific day (Friday or Saturday) to present your findings.

All abstracts will have the option to be published in [*Allergy & Asthma Proceedings*](#).

For abstract instructions, please visit eac2026/abstract-submissions.
