### THERAPY SERVICES BILLING INFORMATION

#### **GENERAL INFORMATION**

- The front and back copies of all insurance cards must be provided prior to therapy.
- We are required to obtain prior authorization from your insurance company before therapy can begin. Therefore, it is imperative that you provide all insurance information prior to your child's first session. If your child's insurance changes in any way, you will need to provide the front and back copies of the new cards immediately. We will need to obtain prior authorization from your new insurance company prior to their next therapy session. Failure to do so may result in a denied payment by your insurance and you will be responsible for the full amount owed. DDD is a secondary payor and non-payment due to lack of up-to-date/current insurance information is not a denial covered by DDD.
- If you fail to provide updated photos of the front and back of your insurance card within 7 days of your new insurance start date, and choose to continue therapy services, you will be responsible for any unpaid dates of service due to a change in insurance. In addition, these dates will NOT be covered by DDD.
- If we have your child's insurance information on file, we will bill primary insurance first. Any unpaid balances
  by your insurance will then be invoiced to you via Square. You may then be responsible for paying a copayment for each therapy session, meeting your deductible, or co-insurance, depending on your insurance
  coverage. If we do not have your child's insurance information on file, we will invoice you by email via
  Square.

#### **SQUARE**

All invoices will be sent by email via Square. On the bottom of the invoice, you will find a Square Processing Fee. To avoid paying the fee, you can pay by cash or check (payable to Arizona Advanced Therapy). If you choose to pay by cash or check, you will be required to pay the full amount due minus the processing fee. Once payment is made, a receipt will be sent to you by email via Square for your records.

#### CLASSWALLET

If you choose to pay using ESA Funds, an invoice will be sent to you by email via Square which will include a ClassWallet processing fee. Please log into your ClassWallet account and pay the total amount due. A receipt will be sent to you via Square for your records.

#### **DELINQUENCY**

If you are unable to pay your invoice in full, please contact the office to set up a payment plan. If we do not have a payment or payment plan in place after 30 days, a \$15 late fee will be added to your account and therapy will be suspended.

#### **INSURANCE CHECKS ISSUED DIRECTLY TO INSURED**

If you should receive a check from your insurance for services rendered by Arizona Advanced Therapy, it is your responsibility to turn over the funds to Arizona Advanced Therapy as soon as possible. This can be done by signing over the check or using another payment method that Arizona Advanced Therapy accepts. If you withhold the check, your therapy services will be suspended and your insurance will be notified.

I have read and fully understand the content of this Therapy Billin	g Services Information.

### **LATE PAYMENT POLICY**

A \$15 late fee will be assessed if you are more than 30 days past due on your account. <u>Therapy will also be suspended until payments are made. The scheduled therapy day and time prior to suspension are not guaranteed if and when therapy services are reinstated.</u> If you are unable to make a payment within this timeframe, please contact Arizona Advanced Therapy ("AAT") at 480.963.5800 to discuss a payment plan.

Should a payment made to AAT by you (or someone else on behalf of you for your child's treatment) be returned for "insufficient funds" cause AAT to be charged a fee, said fee will be billed back to you and will be your responsibility to pay. The late payment policy above WILL be applied to this fee, should your account remain past due as stated above.

I have read and agree to b	e responsible for pay	ment of all services.
