RULES

MARKING

- All matches in WDF ranked tournaments shall be marked by an independent marker. Players cannot self-mark. It applies to ALL matches including round robin matches.
- Markers will be appointed for the first match in the Saturday and Sunday WDF ranked singles events. After the first knockout match on each board, the loser must mark the next match on the same board.
- Failing to stay and mark (or failing to find a person to mark in absentia) may result in disqualification from the 2027 Toronto Area Open. Players may also be reported to the NDFC.
- Should any player require an accommodation related to marking, they must notify the tournament director of their needs so they can be accommodated in accordance with the Ontario Human Rights Code.

DRESS CODE

- Dress pants (of any colour) and collard shirt are required for the ranked NDFC/WDF ranked events on Saturday and Sunday.
- No open-toe shoes or headgear are allowed during any event.
- Professional dress is encouraged but not required for any other event.
- CDC event may require different dress code, please refer to www.champdarts.com for more information.

ORDER OF PLAY

- A bull throw shall determine the order of play in each match (save and except the Friday Open Singles event). The throwing order for the Bull throw shall be determined by a coin toss. The Winner of the Bull throw shall throw first in the match and all subsequent "odd numbered legs" which will also include the "tie-break" leg if required.
- In throws for the Bull each player (or one member of a team) shall throw one dart for the Bull. The dart must remain in the dartboard in order to count and rethrows shall be made until a dart remains in the dartboard. If the dart enters the "25" or "Bull" sector it shall be removed before the opponent takes his/her throw. Re-throws shall be called if it cannot be determined which dart is nearer to the bull, or if both darts are in the Bull, or if both darts are in the "25" ring. A re-throw shall be in the reverse order of the previous throw. The player who throws nearer to the centre of the dartboard shall throw first in the match.
- For the Friday Open Singles (501/Cricket/301) Matches will require a bull throw for each leg played. Matches will begin with a coin toss to determine who has the option to throw first or second at the Bull. The player throwing closest to the Bull will throw first in the first Leg. The Loser of the first Leg has the option of throwing for the Bull first in the second Leg. If the third Leg is necessary, the Bull will again be thrown, with the loser of the original coin flip having the option of throwing first.
