ABOUT JUBILEE POUR OF LIBERATION

Jubilee Pour of Liberation is an elevated culinary and beverage experience created as a signature part of the Savannah Juneteenth Fine Arts Festival, bringing together culture, fellowship, and celebration in a setting designed to honor freedom and progress.

Held on private marsh-front grounds, the event offers a distinctive open-air atmosphere where guests gather to enjoy food, wine, spirits, and live entertainment while taking in the beauty of the evening as the sun sets over the marsh. The setting itself creates a memorable experience that encourages guests to stay, connect, and fully enjoy the event.

Jubilee Pour honors Juneteenth by recognizing how far we have come since freedom was declared, while celebrating the excellence, creativity, and community that continue to shape today. The event highlights Black chefs, food makers, wine partners, and spirit brands whose work reflects both heritage and innovation, while welcoming all guests who value culture and meaningful experiences.

Guests will enjoy:

- Featured chefs
- Live cooking demonstrations
- Curated tastings
- Wine and spirit tastings

For beverage sponsors, Jubilee Pour offers direct brand engagement within a mature audience and the opportunity to help shape a new annual signature experience of the Savannah Juneteenth Fine Arts Festival.
