Welcome to Strawberry Preschool! Preschool is a dynamic and exciting time in a child's life, and these formative years set the groundwork for future growth and development. Our preschool offers a happy and secure environment for your child's early learning. We are glad that you have chosen to visit our school.

We encourage parents to visit our school, as well as other schools in the area, before placing their child on our waitlist. We know how important it is to find the school that best fits your family needs. There is a non-refundable $100.00 fee for placement on the wait list.

Payment of this fee does not ensure a place in our school but does serve to keep your child's name on our list of prospective students. When the registration process begins, we give priority to continuing students and siblings and then proceed to offer spaces on the basis of order on the wait list. We try to maintain a healthy mix of boys and girls in each class and may give preference to boys or girls as needed to provide a balanced social grouping. The date of our receipt of the wait list form and fee determines your child's place on the wait list.

Strawberry Preschool and Tamalpais Preschool are part of the same corporation. However, each school has a separate wait list form and separate wait list fees. Sibling or continuing student priority applies for both schools.

If you have any questions regarding registration or tours, please email or give us a call. Registration begins early in February for the Fall program.

Sincerely,

Lisa Vaillancourt
