

Tamalpais Preschool  
410 Sycamore Avenue  
Mill Valley, California, 94941

Preschool is a dynamic and exciting time in a child's life and these formative years set the groundwork for future growth and development. Our preschool offers a happy and secure environment for your child's early learning. We are glad that you have chosen to visit our school.

We encourage parents to visit our school, as well as other schools in the area, before placing their child on our waitlist. We know how important it is to find the school that best fits your family needs. There is a non-refundable \$100.00 fee for placement on the waitlist.

Payment of this fee does not ensure a place in our school but does serve to keep your child's name on our list of prospective students. When the registration process begins, we give priority to continuing students and siblings, and then proceed to offer spaces based on order on the wait list. We try to maintain a healthy mix of boys and girls in each class and may give preference to boys or girls as needed to provide a balanced social grouping. The date of our receipt of the waitlist form and fee determines your child's place on the wait list.

Tamalpais Preschool and Strawberry Preschool are part of the same corporation. However, each school has a separate wait list form and separate waitlist fees. Sibling or continuing student priority applies for both schools.

If you have any questions regarding registration or tours, please email us. Registration begins at the end of January for the Fall program.

Sincerely,  
Marcela Amador
