End of the year Parent survey: As we wind down the final weeks of another school year, the Tamalpais Strawberry Preschool Board of Directors would like to thank you all for a wonderful year and for being a part of our community. Thank you for your contributions volunteering, fundraising and supporting our teachers all year long.

We would love your help by filling out a short, parent feedback survey. The results will help inform our Board of Directors on what you enjoyed most about your experience this year and areas where we can improve or evolve as we look ahead to the future.

It is super important that we hear from our parents, so we can continue to strive for the best experience for everyone - especially our kids! The below link should only take 10 min of your time.
