

The Fellowship Club of Cedar Rapids 2019 Spring Newsletter

Board of Directors Letter

Happy Spring and thank you for your support. There were many improvements to the Club in 2018. *Did you know?* The Fellowship Club membership was 97 and meeting attendance was the best in 5 years:

- **2018 -35,901 attended meetings**
- 2017 -32,751 attended meetings
- 2016 -32,488 attended meetings
- 2015 -34,101 attended meetings
- 2014 -34,330 attended meetings

Although the meeting attendance grew, the average per meeting donation went down to \$1.21 cents per person. This is the lowest since 2014. Please encourage donations from the groups to the Fellowship Club. The donations are needed to keep the building open and running efficiently.

Thank you to Happy Hour Group for the recent St. Patty's event and donation. We would also like to thank the Original Group for their donations from the Saturday morning breakfast! 😊

Annual dues are only \$96.00. Be sure to renew! Let friends and family know they are welcome to join. The Membership Form is located on our website. Thank you so much!

Your Fellowship Club Board of Directors

St. Patty's Dinner on March 16, 2019

Yours in Service

Communication

WWW.FELLOWSHIPCLUBCR.ORG

The site is designed to welcome AA, AL-ANON, and ALATEEN. Be sure to check it out and pass the information on to friends and family. Flyers can be downloaded from the Events page when available.

Email Communication: Do we have your email address? If not, let our office staff know so you can receive monthly Club updates such as events, flyers, and the 2019 Annual Steak Fry & Golf Outing information!

Stay Connected

Don't forget, park in our updated parking lot! There is a nice sign to let you know you are in the right place.

FELLOWSHIP CLUB of Cedar Rapids

Goals for 2019-20

- All Club meeting chairs to be refurbished throughout the year! Check out the sample chair Bernie is profiling! Stay tuned for details...
- Sidewalk along side of building replaced- its cracking up and not in a funny way 😊
- Front steps replaced- the project is being researched for feasibility
- Upgrade all inside lighting to LED to reduce utilities
