## Club updates

### Update 1

**Headline:** Delegate Drive – Refer a friend or be PART of something deeper.

We are currently at 102 Delegates for the club. Only 17 more to go to beat last year's count of 118! Delegates help to sustain our club operations and continue offering the amenities (Kleenex, coffee, utilities, safe and clean space for meetings) that we are all lucky enough to have from FC \$108 a year or a payment plan can help you be a pillar contributor and help ensure the club is around for generations to come; as it has been since 1984 😊 Plus: Being a delegate gives you a voice at the annual meeting and when it comes to making important club decisions!

## **Annual Steak Fry Fundraiser -Saturday June 6th, 2026**

### **A Call for Donations from Our Community**

At the Fellowship Club, we believe in second chances, healing, and the power of connection. For decades, we've proudly served as a haven for individuals and families affected by alcoholism. As a non profit organization, our sole purpose is to provide a safe, welcoming environment for AA, Al-Anon, and Alateen recovery meetings.

We rely on the generosity of our community to keep our doors open. That's why we're excited to announce our Annual Steak Fry on Saturday, June 6th, 2026. A night of food, fellowship, and fundraising for a cause that touches so many lives.

One of the evening's highlights is our Auction, featuring donated items and services from people like you. In past years, donations have included everything from handcrafted recovery art and spa baskets to professional services, and one-of-a-kind experiences. These gifts reflect the spirit of our community selfless giving rooted in experience, strength, and hope.

We also welcome cash donations, gift cards, and any useful new items you'd like to give a second home. All contributions are tax-deductible, and your name will be recognized as a donor at the event. All items are requested to be collected by Friday, May 22nd.

Proceeds from this fundraiser support the Renovation and General Maintenance Fund, ensuring our club remains a safe space for recovery for generations to come. After the event, we'll send a follow-up letter detailing how your gift helped make a difference.
