

Guess Who?

AIM OF THE GAME:

To be the first one to correctly guess who your opponent has selected, by asking questions.

INSTRUCTIONS TO PLAY THE GAME:

- Select a card and create clues for the name listed on each card.
- Start by each player drawing one 'guess who' card. Do not show it to the other player!
- Both competitors take it in turn to ask three questions to begin the game.
- After the third question has been asked, guesses are allowed.
- The player who figures out the mystery person wins a point.
- The winner is the one who guesses most cards correctly.

GUESS WHO?

All the people listed in the game are those who have been the nearest and dearest to our beloved Messenger ﷺ or who have played an important role during his lifetime.
