

# Motivational Tweets

Create a series of tweets with motivational quotes that would inspire and lift someone having a difficult time coping with different challenges in life. Consider what you wish someone would say to you, or what you would have liked someone to tell you when you were facing a challenge or difficult situation. Your quotes should be clear, concise and original. Remember, your tweets can only have 280 characters – this includes spaces.

 **Madrasah Abu Hurairah**  @madrasahabuhurairah • 1h ⋮
