

Kiss An Angel Good Mornin Official by Charley Pride

[Verse 1]

D D

Whenever I chance to meet

G

Some old friends on the street

A

They wonder how does

D

A man get to be this way

I've always got a smilin' face

G

Any time and any place

A

And everytime they ask me why

D

I just smile and say

You've got to

[Chorus]

D A

Kiss an angel good mornin'

G

And let her know you think

D

About her when you're gone

A

Kiss an angel good mornin' and

G Love her like a devil when you get back home **D**

[Verse 2]

D
Well people may try to guess

G
The secret of a happiness

A
But some of them never learn

D
It's a simple thing
The secret I am speaking of

G
Is a woman and a man in love

A **D**
And the answer is in the song that I always sing
You've got to

[Chorus]

D **A**
Kiss an angel good mornin'

G
And let her know you think
D

About her when you're gone
A
Kiss an angel good mornin' and

G Love her like a devil when you get back home **D**

[Outro]

D Kiss an angel good mornin' **A**

G And let her know you think

About her when you're gone **D**

A Kiss an angel good mornin' and

G Love her like a devil when you get back home **D**
