

The Cross Chords by Anne Wilson feat. Chris Tomlin

[Verse 1]

G **C**
You've been tryin' hard to bear the weight of all
your shame
D **C**
And if there's a God up there, you're sure He
G
forgot your name
Em **C**
When your steps are getting heavy, and hope looks
all but lost
D **C** **G**
Just bring it all to the cross
G **C**
Who told you grace can't reach the messed up ones
like you?
D **C**
Has the devil made you believe the lies he tells
G
are true?
Em
When you're sure that you're the one who's
C
wandered too far off
D
It's not too late
C **G**
Just come home to the cross

Em C D
 Come and see a Savior's love that would die to
 G
 make you new
 Em C
 Nothing you have ever done, can change what
 D G
 mercy's done for you
 Em C D
 And if you ever wonder if you're worth so great a
 Em
 cost
 C D G
 Look up and see the cross

G **C**
Everybody's got a list at least a mile long
D **C**
Of every scar and every sin from everywhere that
G
we've gone wrong
Em **C**
But there's reason for rejoicin', and the reason
is because
D **G**
That list was nailed to the cross
