

[Verse 1]

E **B**
You change your mind
F#m **A**
Like a girl changes clothes
E **B**
Yeah you, PMS
Like a bitch
F#m **A**
I would know
E **B**
And you over think
Always speak
F#m **A**
Cryptically
I should know
E **B**
That you're no good for me
F#m **A** **E**
'Cause you're hot then you're cold

[Chorus]

B
You're yes then you're no
F#m **A**
You're in then you're out You're up then you're down
E
You're wrong when it's right
B
It's black and it's white

F#m

We fight, we break up

A

We kiss we make up

E

B

F#m

You don't really want to stay, no But you don't

A

really want to go

E

You're hot then you're cold

B

You're yes then you're no

F#m

You're in then you're out

A

You're up then you're down

[Bridge]

E B F#m A

[Verse 2]

E

B

We used to be

Just like twins

F#m

A

So in sync

E

B

The same energy

F#m

A

Now's a dead battery

E

B

Used to laugh bout nothing

F#m A
Now you're plain boring

E
I should know that

B
You're not gonna change

F#m A E
'Cause you're hot then you're cold

[Chorus]

B
You're yes then you're no

F#m A
You're in then you're out You're up then you're down

E
You're wrong when it's right

B
It's black and it's white

F#m
We fight, we break up

A
We kiss we make up

E B F#m
You don't really want to stay, no But you don't

A
really want to go

E
You're hot then you're cold

B
You're yes then you're no

F#m
You're in then you're out

A

You're up then you're down

[Solo]

C#m A E B C#m A E B

C#m A

Someone call the doctor

E B

Got a case of a love bipolar

C#m A

Stuck on a roller coaster

E B

Can't get off this ride

E B

You change your mind

F#m A

Like a girl changes clothes

[Chorus]

E

'Cause you're hot then you're cold

B

You're yes then you're no

F#m A

You're in then you're out You're up then you're down

E

You're wrong when it's right

B

It's black and it's white

F#m

We fight, we break up

A

We kiss we make up

E

'Cause you're hot then you're cold

B

You're yes then you're no

F#m

A

You're in then you're out You're up then you're down

E

You're wrong when it's right

B

It's black and it's white

F#m

We fight, we break up

A

We kiss we make up

[Outro]

E

B

F#m

You don't really want to stay, no But you don't

A

really want to go

E

You're hot then you're cold

B

You're yes then you're no

F#m

You're in then you're out

A

E

You're up then you're down
