

# Someone You Loved Official by Lewis Capaldi

[Intro]

G D Em  
C

[Verse 1]

G D Em  
I'm going under and this time I fear there's no one to save me  
C G D Em  
This all or nothing really got a way of driving me crazy  
C G  
I need somebody to heal  
D  
Somebody to know  
Em  
Somebody to have  
C  
Somebody to hold  
G  
It's easy to say  
D  
But it's never the same  
Em C  
I guess I kinda liked the way you numbed all the pain  
G  
Now the day bleeds

[Chorus]

D  
Into nightfall  
Em  
And you're not here  
C  
To get me through it all  
G  
I let my guard down  
D  
And then you pulled the rug

I was getting kinda used to being someone you loved

[Verse 2]

I'm going under and this time I fear there's no one to turn to  
This all or nothing way of loving got me sleeping without  
you  
Now, I need somebody to know  
Somebody to heal  
Somebody to have  
Just to know how it feels  
It's easy to say but it's never the same  
I guess I kinda liked the way you helped me escape  
Now the day bleeds

[Chorus]

Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved

[Bridge]

Am Em D  
And I tend to close my eyes when it hurts sometimes  
D Em Am  
I fall into your arms  
Em D  
I'll be safe in your sound 'til I come back around  
D G  
For now the day bleeds

[Interlude]

D  
Into nightfall  
Em  
And you're not here  
C  
To get me through it all  
G  
I let my guard down  
D  
And then you pulled the rug  
Em C  
I was getting kinda used to being someone you loved  
G  
But now the day bleeds

[Chorus]

D  
Into nightfall  
Em  
And you're not here  
C  
To get me through it all  
G  
I let my guard down  
D  
And then you pulled the rug  
Em C  
I was getting kinda used to being someone you loved

I let my guard down
