

# You May Be Right Official by Billy Joel

[Intro]

**E**

147 bpm

[Verse 1]

**E**

Friday night, I crashed your party  
Saturday, I said I'm sorry

**B**

Sunday came and trashed me out again

**F#m**

I was only having fun

**Dmaj7**

Wasn't hurting any one

**B**

**E**

And we all enjoyed the weekend for a change

[Verse 2]

**E**

I've been stranded in the combat zone  
I walked through Bedford Stuy alone

**B**

Even rode my motorcycle in the rain

**F#m**

And you told me not to drive

**Dmaj7**

But I made it home alive

**B** **E**  
So you said that only proves that I'm insane

**B**  
You may be right

[Chorus]

**E**  
I may be crazy

**B** **A** **C#m**  
Oh but it just may be a lunatic you're looking  
for

**E** **B**  
Turn out the light

**E**  
Don't try to save me

**A** **B**  
You may be wrong for all I know

**E**  
But you may be right

[Verse 3]

**E**  
Yeah remember how I found you there  
Alone in your electric chair

**B**  
I told you dirty jokes until you smiled

**F#m**  
You were lonely for a man

**Dmaj7**

I said take me as I am

**B**

**E**

Cause you might enjoy some madness for a while

[Verse 4]

**E**

Now think of all the years you tried to  
Find someone to satisfy you

**B**

I might be as crazy as you say

**F#m**

If I'm crazy then it's true

**Dmaj7**

That it's all because of you

**B**

**E**

And you wouldn't want me any other way

**B**

You may be right

[Chorus]

**E**

I may be crazy

**B**

**A**

**C#m**

Oh but it just may be a lunatic you're looking  
for

**E**

It's too late to fight
