

[Chorus]

Inside the pocket

**A**

Of your ripped jeans

Holdin' me closer

**Bm**

'Til our eyes meet

**G**

You won't ever be alone

**D**

Wait for me to come home

[Pre-Verse]

**D**

Loving can heal

[Verse 2]

**Bm**

Loving can mend your soul

**A**

**G**

And it's the only thing that I know (know)

**D**

I swear it will get easier

**Bm**

Remember that with every piece of ya

**A**

**G**

And it's the only thing we take with us when we die

[Pre-Chorus]

**Bm** **G**  
We keep this love in a photograph  
**D** **A**  
We made these memories for ourselves  
**Bm**  
Where our eyes are never closing  
**G**  
Hearts are never broken  
**D** **A**  
Times forever frozen still  
**D**  
So you can keep me

[Chorus]  
Inside the pocket  
**A**  
Of your ripped jeans  
Holdin' me closer  
**Bm**  
'Til our eyes meet  
**G**  
You won't ever be alone  
**D**  
And if you hurt me  
**A**  
That's OK, baby, only words bleed  
**Bm**  
Inside these pages you just hold me  
**G**  
And I won't ever let you go  
Wait for me to come home

[Bridge]

**Bm**

Wait for me to come home

**G**

Wait for me to come home

**D**

**A**

Wait for me to come home

**D**

Oh you can fit me

[Chorus]

**A**

Inside the necklace you got when you were sixteen  
Next to your heartbeat

**Bm**

Where I should be

**G**

Keep it deep within your soul

**D**

And if you hurt me

**A**

That's OK, baby, only words bleed

**Bm**

Inside these pages you just hold me

**G**

And I won't ever let you go

**D**

When I'm away

[Outro]

**A**

I will remember how you kissed me

Under the lamppost

**Bm**

Back on six street

**G**

Hearing you whisper through the phone,

"Wait for me to come home."
