

Creation Calls chords by Brian Doerksen

[Verse]

E **F#m** **B**
I have felt the wind blow
E
Whispering, your name
E **F#m**
I have seen your tears fall
B **E**
When, I watch the rain

[Refrain]

E **B**
How could I say there is no God
E
When all around creation calls
E **B**
A singing bird a, mighty tree
E **B** **E**
The, vast expanse of open sea

[Musical interlude]

E **F#m**
Gazing at a bird in flight
B **E**
Soaring, through the air
E **F#m**
Lying down beneath the stars
B **E**
I feel your presence there
E **B**
I love to stand at ocean shore
E
And feel the thundering breakers roar
B
To, walk through golden fields of grain
E **B** **E**
'Neath endless blue horizon's frame
E **F#m**
Listening to a river run
B **E**
Watering the Earth
E **F#m**
Fragrance of a rose in bloom
B **E**
A newborn's cry at birth

[Refrain]

E B

I love to stand at ocean shore

E

And feel the thundering breakers roar

B

To, walk through golden fields of grain

E

'Neath endless blue horizons' frame

A E

I believe

A E

I believe

A E B

I believe

[Interlude]

I believe

I believe

I believe just like a child (Choir I believe)...

I believe
